ABOUT

As a Frontend Developer and a current student at Hyper Island, balancing my studies and professional growth is crucial. I'm looking for an internship with flexible hours that can fit my study schedule. My skill set includes proficiency in HTML, CSS, and JavaScript, with an insatiable eagerness to expand my knowledge base.

Dedicated and always on a development path, learning new languages and technologies such as TypeScript and Next.js is my immediate goal.

SKILLS

HTML / CSS / JavaScript / React.js / GitHub / Bash / Node.js / Jest / Readiness to learn Next.js and TypeScript

EXPERIENCE

Allihop AB,

Frontend Developer – Apr 2023 - Aug 2023 – Malmö, Sweden (Remote)

Allihop is the first green business travel platform with direct booking capacity for trains, buses, e-cars, e-scooters and bikes.
